Alcoa

*EHS Manager, USA, 2010-2013*

Manage all health, safety and environmental compliance activities for a given location. Liaise with unions, company management, federal and state authorities.

- Worked with international sites (South Korea, Germany)
- Training development and implementation
- Collection of information and observations required for the reports.

Early professional activities

Early in my professional life, I was in customer service in fast-paced operations.

Having good time and money management, as well as an excellent customer-facing personality, has given me led to increasing responsibility in all my roles.
